ACTION ON ELECTION OF THE CLAIMS

Dear Examiner Saether:

Per your Office communication of October 26, 2005, and as required under 35 U.S.C. 121 to elect a single disclosed species for prosecution on the merits to which the claims shall be restricted if no generic claim is finally held to be allowable; species B, the retainer is a cotter key in the cross-hole (Fig 3 and 4) is hereby elected.

However, the applicant believes current claim 22 is a generic claim and that this claim reads on all other claims that have not thus far been canceled.

Respectfully submitted,
